JOHN MACCO looks out for Green Bay small businesses.

He's made protecting and helping Wisconsin small businesses a top-priority.

With JOHN MACCO, Green Bay small businesses know they have a strong ally.

When Madison lobbyists tried to harm Green Bay small businesses and craft breweries, John Macco fought back.¹

Now, those same lobbyists are trying to take John Macco out.²

Don't let Madison special interests win.
WE NEED JOHN MACCO TO KEEP FIGHTING FOR GREEN BAY.
